

**NEW**

# RYDIN PermitExpress™

VERSION 6.1

## Now You Can Sell Visitor, Guest and Daily Permits Online!

- Give students and staff more options
- Sell visitor and guest permits (no login required)
- Define unique options for your needs (Control the Cost, Name, Validation & Permit Number)
- Generate revenue from daily passes without extra labor dollars from having to staff after normal business hours
- Sell permits to customers when and where they want to buy them
- Record the reason they are on campus
- Allow drivers to register for daily permits from home before arriving on campus
- Register known, approved drivers and guests
