

# RYDIN PermitExpress®

## A Turnkey Parking Permit Management Solution

Rydin PermitExpress® is a complete all-in-one permit distribution and parking management system. Add in Rydin's high quality permits (or use your own) to complete your parking program.

### The Rydin PermitExpress® System

- Online Permit Registration and Payment
- Integrate Rydin's High Quality Parking Permits
- Direct to User Distribution
- Data/Citation Management

### RYDIN PermitExpress® simplifies the entire process.

With a dedicated web portal allowing user registration and payment and a detailed dashboard providing real time administrative access, Rydin PermitExpress® provides the control you need. From permit issuance to payment and program oversight you'll have a turnkey parking management solution that simplifies your entire parking experience.

*"Less man hours are devoted to updating our database, writing citations and issuing permits, so more time can be devoted to Students and Faculty/Staff."*

-Tom Saccenti— Director of Public Safety

# RYDIN PermitExpress®

## Simplified Online Registration Portal

With Rydin PermitExpress®, a dedicated, branded and secure web portal is established as a natural extension of your website. Your users register, accept your terms and conditions, and pay for their parking permit all in a simple to navigate platform.

Your administration and enforcement teams will have a dedicated interface to manage everything

from permit issuance to citation management and full reporting in real time.

## Distribution & Online Driver Payments

Simplify your distribution process for your users, and your team creating an easy to manage time and money-saving process.

### Build your program your way.

With its built-in e-commerce capabilities, Rydin PermitExpress® allows you to seamlessly register users and collect payment. Your verified/paid users receive a temporary permit via email for use while the physical permit is being mailed.

Or

Need to verify users in person? Blend the ease of on-line registration with in-person distribution and or payments.

\*Rydin PermitExpress® can integrate with your existing credit card merchant, or an account can be created for you

## The RPE Mobile App – Managing Parking Compliance

Rydin PermitExpress® Cite is the companion App to RPE that allows seamless issuance of digital and printed parking citations.

Enforce parking regulations and issue warnings or fines. RPE Cite is our free app that works on both Android and iOS.

### Features:

- Create & view citations
- Quick barcode scan to identify driver
- Attach proof of violation photos
- Real -time citation issuance and admin sync
- Print citations with our Zebra Mobile printer
- Violation payment & appeal via web portal

## A Successful Program – Saving Time and Money

Let's talk! Rydin PermitExpress® is a complete parking management program that will modernize your system, and help you save time, and money.

Online registration, electronic violation collection, and no more "permit days" will help focus your team's energies on their high priority tasks.

Our RPE team will work with you to develop a program that fits your needs and will provide support before, during, and after activation.
