A Complete Solution: Access & Passes

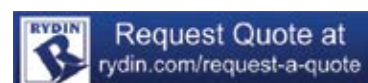

Rydin and EMX are proud partners delivering RFID access solutions for parking lots and other secure locations.

- Rydin provides high-quality, secure RFID-enabled hang tags, decals, and credentials.
- EMX manufactures innovative, cost-effective, and high-performance RFID scanners and hardware.
- Together with your local installer, we are your complete RFID Access Control Specialist.
- If you are new to RFID and need a basic overview you can find that here:

Why Rydin?

- **Design** – Full-color text, logos, and photos to reinforce your branding.
- **Security** – Holograms, laminates, and scannable codes reduce counterfeiting and enhance overall security.
- **Technology** – We integrate the latest RFID tech into our tags and decals.
